LINE 400.

MUSICAL DRUM—METAL SHELL.

Patented.

One of the most novel musical toys ever invented, and universally acknowledged to be one of the most original, as well as one of the best toys ever brought out. All tunes which can be played by an experienced drummer on any drum, can be played on this drum without sticks, with but very little practice by any one. A child can play it and produce better results than on an ordinary drum with sticks. Instructions printed on each drum, as follows :—

“Any tune can be played by drawing out the cord, more or less, and allowing it to return, fast or slow, according to the notes desired.”

Line 400 made in one size only. Brass lacquered shell, decorated in colors, $7\frac{1}{2}$ inches in diameter. White cord, leather ears, sheepskin heads.

Packed 8 dozen in case.

LINE 410.

MUSICAL DRUM—WOOD SHELL.

Patented.

A high grade mechanical drum made with imitation rosewood shell. Black enameled hoops ornamented, metal hooks, red, white and blue cord, fine quality skin heads.
